Exhibitor Live - How to Create Live

- Exhibitor signup/login to CIFTIS App
- Open “Mine” page and find out “My Live”;
- Click “My Live” to enter the list page, and the live created by the exhibitors can be classified according to the status, including “All”, “Upcoming”, “Live”, and “Played”;
- Click “Create” in the upper right corner to enter the “create live” page, upload the cover and fill in the relevant information to complete the creation of the live exhibitor;
- The live is in preview state after creation, and exhibitors can initiate the live 5 minutes before the start.
