Add Exhibits Instructions

Step 1: Add exhibits

- Exhibit No.: It is generated automatically by the system and cannot be modified
- Fill in the exhibit name, booth/exhibit code, place of origin, brand, market price, wholesale price, and introduction, with word limit
- Booth & exhibit code: the exhibitor can customize its own exhibit code or use the code automatically generated by the platform
- Exhibit pictures: picture-type information, with picture size limit
- Video upload: video-type information, with video size limit
- Exhibit introduction: upload the exhibit introduction with the text editor (e.g. commodity details, instructions, and qualification certificates).
- **Note: The red asterisked field is mandatory.**
- **Note: When uploading pictures and videos, there will be a green progress bar. Pictures and videos that have not been uploaded cannot be previewed and displayed normally**

Edit and Maintain Exhibits

Step 3: Edit and Maintain the Exhibits

- If **Approved**, Exhibitors can add the exhibits which can be displayed normally only after adding. If rejected, exhibitors can revise the information and resubmit the application
- **Edit**: if you need to modify the exhibit information, you can click “Edit” to modify it. After modification, it shall be approved again and the exhibits in **“To Be Approved”** status cannot be displayed externally.
- **Copy**: in order to facilitate the exhibitor to maintain multiple exhibits quickly, it can click “Copy” to make partial modifications on the existing exhibits and submit for approval.
- **Remove**: For added products, if it needs to be modified or not displayed externally, exhibitors can click “Remove”, then the exhibits will no longer be displayed externally

The screenshot shows the 'Exhibits' management page in the CIFTIS Operation Platform. The page includes a search filter section at the top with fields for Exhibit No., Exhibit Name, Approval Status (set to 'All'), and Update time (Start Time and End Date). A red arrow points to the 'baby first' exhibit in the table, with a red box around its image and the text 'Click to view the exhibit presentation mode See next slide'.

Cloud Booth | My Exhibits Display

After the exhibit is approved, click “Exhibit name”.

The screenshot displays the 'My Exhibits Display' interface on the CIFTIS website. The page is titled 'Home page > Exhibition Stands & Exhibits > Details'. The main exhibit is 'baby first', with a price of ¥1000 and a brand of 'beauty baby'. The exhibit is located in Mainland Beijing. The page includes a video player, a gallery of images, and a list of exhibit details. Two buttons, 'Add the exhibit to' and 'Submit a Intention', are highlighted with red boxes and arrows. A red arrow points to the 'Enter' button in the 'Exhibition Stand' section, with the text 'Click to view Booth Details'. Below the exhibit details, there are two explanatory text blocks: 'After the buyer clicks it, the exhibitor can view the buyer information in "Opportunities".' and 'After the buyer clicks it, the exhibitor can view the information of intents in "Orders".'
